Maximum 1000 NFTS will be sent out on a first come, first serve basis. Only submissions made before October 17th 2021, 11 PM CET will be valid. New entries after this date and time will not be accepted. Terms and conditions on cryptosaws.one/halloween.

² Price is subject to change. Our aim is to keep the price around 0.0007 ETH (0.001 for the gif), as there is a minimum listing price on OpenSea of \$2 that was recently implemented. If ETH goes down in price, we might need to increase the ETH value of the listing price above 0.0007 ETH. We won't list below 0.0007 ETH to assure your NFTS don't lose any value.
